

INVOICE A-1042

From: Mara Ellison, freelance technical writer
mara@ellison-docs.example

To: Bellweather Analytics Ltd, 14 Harbour Row, Bristol BS1 4TT
Company number 07734512 · accounts@bellweather-analytics.example

Issued: 1 August 2026

Due: 31 August 2026 (net 30)

Amount: USD 4,200.00

DELIVERABLES (all delivered and accepted 29 July 2026)

1. API reference for the Bellweather payments SDK, 42 pages, signed off by E. Okafor on 24 July 2026.
2. Migration guide, v2 to v3, 11 pages, signed off 29 July 2026.
3. Two rounds of editorial revision, both completed.

PAYMENT TERMS

Net 30 from date of issue. This is the fourth engagement between the parties under master services agreement BA-MSA-2024-118; the three prior invoices were settled within terms (11, 19 and 14 days respectively).

LATE PAYMENT

Interest accrues at 2% per month on any balance outstanding after the due date,

compounding monthly, per clause 9.2 of BA-MSA-2024-118.

TERMINATION

Clause 12.1: either party may terminate on 30 days written notice. Work already

delivered and accepted remains payable in full.
